SO GET WITH THE PROGRAM
4Front is the Baltimore Jewish community’s comprehensive teen initiative. Based on four pillars—advocate, innovate, educate, and collaborate, 4Front serves as a gathering place and open channel for Baltimore’s Jewish teens and the adults who care about them. Here, teens are encouraged to explore Jewish identity in ways that are meaningful to them.

4Front directly offers a variety of teen programs emphasizing leadership and social justice! These programs create fun, immersive Jewish experiences where teens can explore who they are and what they care about! 4Front also serves as the connector between teens and opportunities throughout the community.
